

Youcubed Data Talk Basketball Stats

What do you notice?
What do you wonder?
What is going on in this data visualization?

<https://fivethirtyeight.com/features/stephen-curry-is-the-revolution/>

This is an interesting data visual of the basketball shots of Golden State Warriors player Steph Curry. It gives some helpful information on the places on the court that he finds most success. It may start a good conversation about data collection in different sports.
